

CAPE MOBY

Merlot

2021 WINE PROFILE

AREA

Stanford, Western Cape, South Africa

GRAPE VARIETIES

100 % Merlot

PRODUCTION

368 bottles

SERVING TEMP.

16–18 °C

APPELLATION

W.O. Walker Bay

ALCOHOL LEVEL

13,5 %

AGEING POTENTIAL

10 years

RECOMMENDED STORAGE

Cool, dark and temperature-stable

TERROIR

Cool coastal climate, 5 km from the Atlantic Ocean, indigenous fynbos vegetation.

SOIL

High alkaline maritime limestone.

STORY

“This wine bails from the path of Abab at the Cape still full of Good Hope, where in rarest moments the Cachalot Whales feed in the Agulhas current, and wine and whales are the stuff of legends. It’s a saga of cold nights, hot days, driving winds and cool rain along the jagged coastline of Table Mountain Sandstone, softened granite and dunes of purest chalk and limestone rocks.”

RANGE

Cape Moby: Springfontein’s non-estate sister label, offering approachable wines from selected vineyards and parcels outside the estate’s organic certification programme. Named after the great whales that pass along the Walker Bay coast, Cape Moby wines combine classic varietal character with the freshness and distinctive coastal influence of the region.

VINTAGE

2021: A cool, slow-growing season with excellent winter rainfall resulted in extended hang time and gradual ripening. The vintage produced wines of remarkable freshness, depth and structure, with excellent ageing potential.

TASTING NOTES

Bright ruby colour with aromas of black cherry and dark berries. Palate shows freshness, concentration and balance with supple tannins and a smoky finish.

FOOD PAIRING

Suited to roast lamb, mushroom risotto, or a mature cheddar.

ATTRIBUTES

Vegan, low-intervention. Not certified organic — Cape Moby and Vito are Springfontein’s non-estate sister labels and fall outside the organic certification programme.

2021 TECHNICAL DATA

pH

3,65

TOTAL EXTRACT

30,5 g/l

RESIDUAL SUGAR

2,0 g/l

TOTAL ACIDITY

5,5 g/l

VINIFICATION

Grapes were harvested by hand at the first signs of ripeness to bring in grapes with fresh fruit aromas and light texture. The grapes got stored in a cold room overnight to maintain their freshness, and the following morning it got carefully sorted by human hand before the pressing and fermentation process. Fermentation: 8-14 days fermentation on skins in small open fermenters with regular punch downs. Maturation: 24 months in third-fill and fourth-fill barrels.

YEAST

Spontaneous fermentation with wild and indigenous Springfontein yeasts, originating from native limestone fynbos.

DRY GOODS

Bordeaux Shape, 460g, Screw Cap, Carton of 6

LOT NO.

LO2018

A-CODE

A 1096

TRACEABILITY

Each bottle carries an importer sticker with the importer's contact details; each bottle carries a QR code for full traceability.

PACKAGING / RECYCLABILITY

Glass bottle and cardboard carton are fully recyclable.

DECLARATION OF CONFORMITY

The relevant Declaration of Conformity (DoC) and supporting compliance documentation are available on request.
